Finding out which table to use

Please ensure that you have disposed of your previous Tax Tables.

Code BR always use only **Table B** on pages 7 and 8.

Code D0 always use only **Table D** on page 11.

All other codes follow the instructions below.

Week 1/Month 1 Codes - always use the first line, against '1', in the column headed Week/Month.

The Calculator Tables are printed separately. You may find these easier to use, but you will need a calculator.

All tax and NIC tables are available on our website and on the Employer CD-ROM, or you can order them from the Employer Orderline.
